Michael,

You are quite welcome. Sorry if I jumped in on the conversation with CSTAG a bit too much.

Have a great weekend.

James

I wanted to thank you all for your hard work in getting ready for and delivering our messages at the CSTAG meeting. I understand (I think) how much work you all put into this, and I think we did a terrific job presenting the site, the issues, and the region's concerns. Your understanding of the site and your ideas made this very successful!

Thanks again!
